

DESIGNED AND MADE IN
NEW ZEALAND

ENDURING COMFORT, TIMELESS STYLE

Coast New Zealand represents everyday luxury that is made for life. Smart enough to take anywhere, and tough enough to last the distance.

From the outset we have drawn inspiration from the rewards and challenges of life by the sea: simple, relaxing and beautiful, but rugged and unforgiving. Inevitably, our design process has concentrated as much on materials and construction as on aesthetics and style, to ensure that everything we make is not only enduring, but timeless.

We started out as a specialist supplier to super-yachts, which remains a significant part of our business and in consequence we borrow many of the materials and methods that were previously the reserve of luxury yacht builders.

The Marine Bean® was originally conceived during the 2003 America's Cup as a comfortable and stylish place to sit on a yacht – it can now be found in homes, hotels, pleasure and racing boats all over the world.

We hand-make the overwhelming majority of our products to the highest possible standard right here in New Zealand. We believe that this is the best way to make a product well – something we hope that you will come to appreciate after many, many years of enjoyment.

Marine Bean® is a registered trade mark of Coast International Limited.

The Isla™ Collection

Isla Chair

1100mm (wide) - 1100mm (deep)
400mm (seat height) - 750mm (back height)
Requires 550 litres of beans

Isla Lounger

1100mm (wide) - 1750mm (deep)
400mm (seat height) - 750mm (back height)
Requires 800 litres of beans

Isla Ottoman

950mm (wide) - 950mm (deep)
400mm (high)
Requires 360 litres of beans

The Isla collection combines the comfort you expect from the classic Marine Bean® with the flexibility of modular furniture.

This has been achieved through the development of a unique (patent pending) internal structure, comprising multiple interconnected chambers which support the beanbag, yet remain forgiving.

Marine Bean®

Every Coast beanbag features Sunbrella® brand fabrics, which offer unparalleled outdoor performance and durability.

Sunbrella Canvas Shell

This fantastic fabric is well known for its weatherproof qualities. It is guaranteed resistant to fading and deterioration, yet feels softer than cotton canvas.

Nylon Zips
Zips from YKK.

Stainless Steel
Hardware
Looks great. Won't corrode.

Waterproof Lining

The Marine Bean has a polyester liner allowing the cover to be removed.

Anefil Stitching
For long-lasting, extra strong seams.

Isla Collection™

The Isla shares the exterior characteristics of the classic Marine Bean. In addition, the Isla's unique internal structure comprises interconnected chambers (patent pending) which can be filled through a single aperture.

Interconnected Chambers
Filled with polystyrene beans.

Hard-wearing Base
Waterproof, scuff-resistant heavy-duty polyester.

Our Guarantee: Our attention to detail is rigorous and uncompromising, because, after all, every product is only as good as its weakest component. Accordingly, we always use the most enduring fabrics and parts that we can find. We are so confident in the design and construction of the Marine Bean and Isla collections we offer a 5 year guarantee against fading and deterioration and a lifetime warranty against manufacturing defects.
